

Join Thikedaar.com as a design partner

This initiative taken by thikedaar.com is to stimulate a partnership with aspiring as well as established professionals in the construction business. Our motive is to create a more helpful and integrated construction community, whereby we each can support and help each other deliver the best to our customers

The three paths that you can take

- If you have a client ready with the detailed drawings, refer the client to thikedaar.com for construction services, work with us on the project and we will pay you on behalf of the client
2 % of the construction cost (Architects)
1% of the construction cost (Other Professionals)
- When you don't have a client but are looking for work, we will bring a client to you, provide your services for the project, impress them and get paid directly by us
1% of the construction cost (Architects)
0.5% of the construction cost (Other Professionals)
- If you have someone in mind who needs our service, refer thikedaar.com to the client, if the client hires us, we will pay you benefits as a token of thanks for this partnership
1% of the construction cost (Architects)
0.5% of the construction cost (Other Professionals)

Who is eligible

- Authorized professionals like Architects (should have a valid COA number), Engineers, Draftsman, Govt. Employees related to planning and construction industry any other private employees related to planning and construction Industry.
